

Fullerton Calif.  
Dec. 3<sup>rd</sup> 1912

Dear Sir:-

Received your card  
last night asking about  
the tent house.

Yes we want to sell it if  
we can. When we moved  
away from there a man  
asked Mr Turner what he  
would sell it for and he told  
him ninety dollars but the  
<sup>man</sup> got out of work there so didn't  
take it. But if you want  
it or can sell it for us  
we will let it go for sixty  
dollars.

Now there is ninety dollars

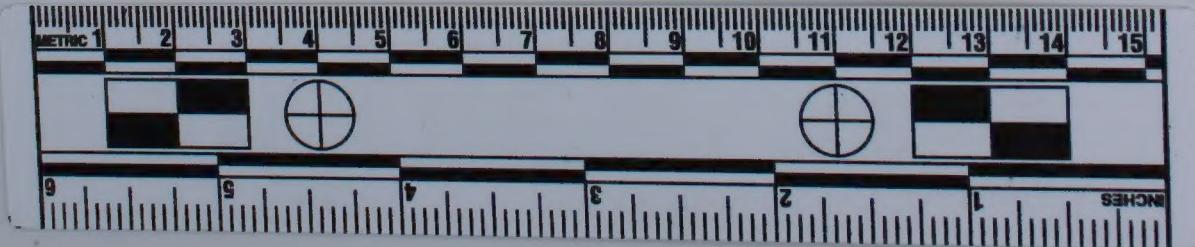

north of new lumber counting  
 the windows and doors besides  
 some old lumber we had.

The large tent is boarded  
 up like a house on the inside  
 and papered and the ceiling  
 is of new cheese cloth. but  
 the basketball tent is only boarded  
 up four feet all around.

And in May we bought a  
 new fly for the large tent  
 roof it was just  $\frac{1}{3}$  00.

We built it there the last of  
 April and moved out of it  
 the 2<sup>nd</sup> of Sept. so you see it  
 hardly paid us for building it.

Of course we would rather have cash if we can get it for we surely need it but if not we will sell it on time.

We would rather sell than rent but rent if we can't sell. of course a person that rents a house is just paying for it and not getting it.

That's what we are doing now.

Will you please let us know about what you do about it as soon as possible. I wish you could have come up. maybe you can

when you know what you  
want to do about it. if you  
do. we live on the West  
Coast lease and anyone  
can tell you what house.  
Hoping to hear from you  
or see you soon.

I remain

Sincerely Yours  
Mrs. H. H. Turner

dark and don't get much time.
